Down in Rabbit Hole by Katherine McGowan ISBN B00EL3X5VI

A modern day take on an old favorite, the tale of Lewis Carroll's Alice in Wonderland is reborn in New York City where a young Alice is found unconscious in an abandoned industrial district in Queens. Curious to know what happened to her, she tries to retrace her steps only to come across a high strung young boy who leads her to the extravagant club, Rabbit Hole.

But piecing together her accident may prove to be harder than anticipated in the club's never-ending carnival of decadence, illusion, and deception. To make matters worse, the patrons and workers in the club seem to be in on the same secret that is preventing Alice from making any progress in finding answers. Or at least that's what she thinks.

Down in Rabbit Hole Review

This Down in Rabbit Hole book is not really ordinary book, you have it then the world is in your hands.
