Blood Is the New Black: A Novel by Valerie Stivers ISBN 0307352137

When nice-girl Kate McGraw finds herself working at *Tasty*, a magazine with its finger on the pulse of modern style, she's finally able to put her flair for fashion to good use. But can she keep up with the *Tasty* staffers? Ethereally beautiful and extremely emaciated, they stay out all night, never look the worse for wear, and are always dressed to kill.

Like everyone else around the office, Kate finds herself begrudgingly reading dispatches from a snarky industry blog that dubs her colleagues "bloodthirsty vamps." She knows they don't mean it literally, but . . . she's heard whispers of "fashion murders" and she *has* noticed strange things around the office: Like, why doesn't her boss get laminates to fix her sharp teeth? Why are the blinds always drawn, and why is there a no-garlic policy in the cafeteria?

As well-dressed bodies begin to pile up near all the hot places, Kate has to wonder if there's a

serial killer loose with a grudge against the stylish. Or if the truth is even more sinister: Are Kate's coworkers actually undead? And, if so, can she design an exit strategy before she finds herself at *Tasty* forever?

## **Blood Is the New Black: A Novel Review**

This Blood Is the New Black: A Novel book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get.
