The Rape of Belgium: The Untold Story of World War I by Larry Zuckerman ISBN 0814797040

In August 1914, the German Army invaded the neutral nation of Belgium, violating a treaty that the German chancellor dismissed as a "scrap of paper." The invaders terrorized the Belgians, shooting thousands of civilians and looting and burning scores of towns, including Louvain, which housed the country's preeminent university.

**The Rape of Belgium** recalls the bloodshed and destruction of the 1914 invasion, and the outrage it inspired abroad. Yet Larry Zuckerman does not stop there, and takes us on a harrowing journey over the next fifty months, vividly documenting Germany's occupation of Belgium. The occupiers plundered the country, looting its rich supply of natural resources; deporting Belgians en masse to

Germany and northern France as forced laborers; and jailing thousands on contrived charges, including the failure to inform on family or neighbors. Despite the duration of the siege and the destruction left in its wake, in considering Belgium, neither the Allies nor the history books focused on the occupation, and instead cast their attention almost wholly on the invasion.

Now, **The Rape of Belgium** draws on a little-known story to remind us of the horrors of war. Further, Zuckerman shows why the Allies refrained from punishing the Germans for the occupation and controversially suggests that had the victors followed through, Europe's reaction to the rise of Nazi Germany might have taken a very different course.

## **The Rape of Belgium: The Untold Story of World War I Review**

This The Rape of Belgium: The Untold Story of World War I book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of The Rape of Belgium: The Untold Story of World War I without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry The Rape of Belgium: The Untold Story of World War I can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This The Rape of Belgium: The Untold Story of World War I having great arrangement in word and layout, so you will not really feel uninterested in reading.
