Minimal Ethics for the Anthropocene (Critical Climate Change) by Joanna Zylinska ISBN 1607853299

Minimal Ethics for the Anthropocene considers our human responsibility for the world, at a time when life finds itself under a unique threat. Its goal is to rethink “life” and what we can do with it, in whatever time we have left—as individuals and as a species. This speculative, poetic book also includes a photographic project by the author.
