2012 International Residential Code for One- and Two- Family Dwellings (International Code Council Series) by International Code Council ISBN 1609830423

This comprehensive code for homebuilding combines building, plumbing, mechanical, fuel gas, energy, and electrical provisions into a single resource. The 2012 International Residential Code For One- and Two- Family Dwellings Softbound Version uses these provisions to provide detailed insight into the construction of one- and two-family dwellings and townhouses up to three stories high. Using foundational principles that facilitate the use of new materials and building designs to guide the content, this reference guide also establishes minimum regulations using prescriptive provisions.
