Understanding Contemporary Ethiopia: Monarchy, Revolution and the Legacy of Meles Zenawi by Gérard Prunier, Éloi Ficquet ISBN 1849042616

When we think of Ethiopia we tend to think in clichés: Solomon and the Queen of Sheba, the Falasha Jews, the epic reign of Emperor Haile Selassie, the Communist Revolution, famine and civil war. Among the countries of Africa it has a high profile yet is poorly known. However all clichés contain within them a kernel of truth, and occlude much more. Today's Ethiopia (and its painfully liberated sister state of Eritrea) are largely obscured by these mythical views and a secondary literature that is partial or propagandist. Moreover there have been few attempts to offer readers a comprehensive overview of the country's recent history, politics and culture that goes

beyond the usual guidebook fare. Understanding Contemporary Ethiopia seeks to do just that, presenting a measured, detailed and systematic analysis of the main features of this unique country, now building on the foundations of a magical and tumultuous past as it struggles to emerge in the modern world on its own terms.

## **Understanding Contemporary Ethiopia: Monarchy, Revolution and the Legacy of Meles Zenawi Review**

This Understanding Contemporary Ethiopia: Monarchy, Revolution and the Legacy of Meles Zenawi book is not really ordinary book, you have it then the world is in your hands.
