Fold stunning geometric sculptures with these sturdy origami papers.

From the Origamido Studio and word renowned origami artists Michael G. LaFosse and Richard H. Alexander, comes the boxed paper craft kit *Modular Origami Paper Pack*. In this modern form of amazing 3D origami design, modular origami is the art and technique of folding multiple sheets of paper and then combining and interlocking them to create a larger composite geometric model—the results are truly astounding!

This origami paper pack includes:

- 350 sheets of high-quality origami paper
- A variety of sizes, colors and attractive designs
- A full-color instructional booklet
- 6 fun origami projects
- Clear step-by-step instruction
- Easy-to-follow diagrams

The individual modules are folded separately and then assembled to form larger constructions typically by inserting tabs into specially created pockets. Friction and tension between the tabs and pockets hold the models together so no scissors or glue are required—folders can start right immediately after opening the box!
