El Padrino (Punto de Lectura) (Spanish Edition) by Mario Puzo ISBN 8466304479

Vito Corleone is the most respected Don of New York. He is merciless with his rivals, but also intelligent, astute and faithful to honor and friendship. His life and businesses, as well as those of his son and heir, make up the storyline of this masterpiece. With the publication of *The Godfather*, for the first time the Mafia was portrayed from the inside. Later, Puzo himself would write the scripts for the famous trilogy of Francis Ford Coppola.

Description in Spanish:

Vito Corleone es el Don más respetado de Nueva York, ciudad a la que llegó como emigrante desde su Sicilia natal a los doce años. Don Corleone es implacable con sus rivales, pero es también un hombre inteligente, astuto y fiel a los principios del honor y la amistad. La vida y negocios de Don Corleone, así como los de su hijo y heredero, conforman el eje de esta obra maestra.

La publicación de *El Padrino* en 1969 supuso una convulsión en el mundo literario, pues por primera vez la Mafia aparecía novelada desde su interior; presentada como una compleja contrasociedad con una cultura, unas interrelaciones y unas jerarquías comúnmente aceptadas. Posteriormente, el propio Puzo escribiría los guiones de la famosa trilogía de películas de Francis Ford Coppola.
