No Shame in My Game: The Working Poor in the Inner City by Katherine S. Newman ISBN 0375703799

"Powerful and poignant.... Newman's message is clear and timely." --*The Philadelphia Inquirer*

In **No Shame in My Game**, Harvard anthropologist Katherine Newman gives voice to a population for whom work, family, and self-esteem are top priorities despite all the factors that make earning a living next to impossible--minimum wage, lack of child care and health care, and a desperate shortage of even low-paying jobs. By intimately following the lives of nearly 300 inner-city workers and job seekers for two years in Harlem, Newman explores a side of poverty often ignored by media and politicians--the working poor.

The working poor find dignity in earning a paycheck and shunning the welfare system, arguing that even low-paying jobs give order to their lives. **No Shame in My Game** gives voice to a misrepresented segment of today's society, and is sure to spark dialogue over the issues surrounding poverty, working and welfare.

No Shame in My Game: The Working Poor in the Inner City Review
