Technology Buyouts: Valuation, Market Screening Application, Opportunities in Europe by Tilmann Pohlhausen ISBN 3824477580

Tilman E. Pohlhausen explains why buyouts of companies in the technology sector have barely taken place and why this is changing. He shows how the attractiveness of a buyout target can be estimated, what makes analyzing technology buyouts different from traditional buyouts, and why there might be opportunities for private equity investors in the European technology markets.
