Work by Referral: Live the Good Life! Proven Strategies for Success and Happiness in the Real Estate Business by Brian Buffini, Joe Niego ISBN 0982026005

You don't have to be in real estate or lending a long time to realize that your business and life are interconnected. Naturally, your business can have a positive impact on your personal life, such as offering the potential to earn a significant income and the ability to work flexible hours. But our business also tends to be all-consuming, which can quickly rob agents and lenders of any life outside of work.

Each circle in the Buffini & Company logo represents one of the five major areas of a person's life: Spiritual, Family, Business, Financial and Personal (Physical and Emotional).

The circles are joined to show that one area of life affects all the others.

Buffini & Company is excited to share with you the Working by Referral system, which takes a holistic approach to operating your business so that all five circles in your life remain linked in harmony.
