Postmodern Pooh by Frederick Crews ISBN 0865476268

A sequel of sorts to the classic (and bestselling) sendup of literary criticism, *The Pooh Perplex*

Thirty-seven years ago, a slim parody of academic literary criticism called *The Pooh Perplex* became a surprise bestseller. Now Frederick Crews has written a hilarious new satire in the same vein. Purporting to be the proceedings of a forum on Pooh convened at the Modern Language Association's annual convention, *Postmodern Pooh* brilliantly parodies the academic fads and figures that hold sway at the millennium.

Deconstruction, poststructuralist Marxism, new historicism, radical feminism, cultural studies, recovered-memory theory, and postcolonialism, among other methods, take their shots at the poor teddy bear and Crews takes his shots at them. The fun lies in seeing just how much adulteration Pooh can stand.

Postmodern Pooh Review

This Postmodern Pooh book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get.
