Girl Defective by Simmone Howell ISBN 1442497610

In the tradition of *High Fidelity* and *Empire Records*, this is the literary soundtrack to Skylark Martin's strange, mysterious, and extraordinary summer.

This is the story of a wild girl and a ghost girl; a boy who knew nothing and a boy who thought he knew everything.

It's a story about Skylark Martin, who lives with her father and brother in a vintage record shop and is trying to find her place in the world. It's about ten-year-old Super Agent Gully and his case of a lifetime. And about beautiful, reckless, sharp-as-knives Nancy. It's about tragi-hot Luke, and just-plain-tragic Mia Casey. It's about the dark underbelly of a curious Australian neighborhood. It's about summer, and weirdness, and mystery, and music.

And it's about life and death and grief and romance. All the good stuff.

Girl Defective Review

This Girl Defective book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get.
