5S for Operators: 5 Pillars of the Visual Workplace (For Your Organization!) by Hiroyuki Hirano  
ISBN 1563271230

Hiroyuki Hirano's five pillars of the visual workplace: sort, set in order, shine, standardize and sustain are the most fundamental and often overlooked aspects in continuous improvement initiatives. Together, these concepts form the framework of the 5S System, a set of principles whose simplicity often betrays its powerful impact on the workplace. So much of the 5S System seems like common sense, that it is astonishing how often such seemingly simple practices are absent in manufacturing operations. That is why Productivity Press is proud to bring you **5S for Operators: 5 Pillars of the Visual Workplace**, a hands-on book that explains the principles, rationale and implementation details of the 5S System.

Easy-to-read and apply, each section of the text is loaded with questions, outlines, summaries, diagrams and illustrations. Most importantly, **5S for Operators** provides the foundational knowledge that is essential for implementing not just the 5S System, but overall manufacturing improvements like shorter equipment changeovers, just-in-time inventory, total quality management and total productive maintenance.

Since its publication in 1996, **5S for Operators** has been and continues to be hugely popular, consistently ranking among Productivity's list of top-sellers, and its popularity is not hard to understand. 5S has proven its worth in one company after another, consistently reducing waste, guaranteeing product quality, ensuring safety and increasing the bottom line. With **5S for Operators**, the 5S System can have the same profound effect on your operations.

To introduce the 5S system and sell its use to executives as well as workers, consider purchasing—
