Popular Amish novelist, Sicily Yoder, who sold over 103,000 books in 2012, created a volume series, each volume having several chapters, on request from many of her readers. Amish Blizzard is the first volume series.

In the second volume to this series, Amish schoolteacher, Abby Yoder, finds herself nursing boo-boos for little Emma Yoder. Emma needs a mother, but she has pushed away all potential mothers, being protective over her handsome, intriguing father, Amish business owner and leader of the Amish school system, Nathan Yoder.

Nathan has been waiting for "that one" that will stay single and work as a schoolteacher for ever. However, he is secretly praying for "that other one" that will bring him a wife and a mother to his children.

A simple dinner invitation unravels a secret that Emma has been keeping, one that could open up a future where it is least expected.
