Ways of Curating by Hans Ulrich Obrist ISBN 0865478198

Hans Ulrich Obrist curated his first exhibit in his kitchen when he was twenty-three years old. Since then he has staged more than 250 shows internationally, many of them among the most influential exhibits of our age.

Ways of Curating is a compendium of the insights Obrist has gained from his years of extraordinary work in the art world. It skips between centuries and continents, flitting from meetings with the artists who have inspired him (including Gerhard Richter, Louise Bourgeois, and Gilbert and George) to biographies of influential figures such as Diaghilev and Walter Hopps. It describes some of the greatest exhibitions in history, as well as some of the greatest exhibitions never realized. It traces the evolution of the collections from Athanasius Kircher's 17th-century *Wunderkammer* to modern museums, and points the way for projects yet to come.

Hans Ulrich Obrist has rescued the word "curate" from wine stores and playlists to remind us of the

power inherent in looking at art?and at the world?in a new way.

Ways of Curating Review

This Ways of Curating book is not really ordinary book, you have it then the world is in your hands.
