Forever Doomed: A Detective Jack Harney Murder Mystery (Book Two)

Detective Jack Harney agrees to do an old Army buddy a favor. Curt Noble had some personal business to attend to, he didn't say what. What he did say was he needed someone to temporarily take over his duties as head of security on the struggling cruise ship Forever. Jack hesitates, but he owes Curt his life so agrees. He's told the worst mischief he can expect to encounter will be the occasional shoplifter, or drunk. Instead, one week into the cruise, a beautiful red head and a member of the crew are ruthlessly murdered. Are the two murders connected? It's up to Jack to find out. He must find the killer before the ship returns to Tampa's port, or worse, before another dead body is found.

Jack can handle a murder or two, but that's not all on his plate: Cookies, cakes, and custard are being sabotaged, an ex-girlfriend is on board for a large wedding and she wants to "talk", and a murder suspect is trying really hard to get into his tan Dockers.

Can Jack remain focused and catch a killer, or will someone get away with murder, not to mention serious brownie abuse.

Sweet Mystery: A Detective Jack Harney Murder Mystery (Book Three)

Candy Dashwood was young, beautiful, and accustomed to getting exactly what she wanted, by any means necessary, including sex and blackmail. Does that make her murder less important? Or her killer less guilty? Her mother doesn't think so. She asks private detective Jack Harney to help find Candy's killer.

When all signs point to her police officer lover, the case seems cut and dry. So why does the evidence seem so flimsy? And why are the police so unwilling to dig any deeper.

Jack uncovers a web of sex and deception in which nothing is as it seems, and the list of potential killers grows every day. Can he put the pieces together and discover who really killed Candy, or will her killer get away with murder.
