This is a city that seduces dreamers . . . then eats their dreams.

Matthew Scudder understands the futility of his search for a longtime missing Midwestern innocent who wanted to be an actress in the vast meat-grinder called New York City. But her frantic father heard that Schudder is the best—and now the ex-cop-turned-p.i. is scouring the hell called Hell's Kitchen looking for anything that might resemble a lead. And in this neighborhood of the lost, he's finding love—and death—in the worst possible places.
