Consulting For Dummies by Bob Nelson, Peter Economy ISBN 0470178094

Consulting For Dummies, 2nd Edition includes a reorganization and narrower focus of the topic, with new or updated information that delves into the specifics of running your own consulting business. There is greater emphasis on the business of consulting, along with financial and legal issues involved in setting up a consulting business, deepening coverage of consulting proposals, and entirely new chapters on higher-level consulting issues that more-established consultants are demanding.
