Reconstructing Woody: Art, Love, and Life in the Films of Woody Allen by Mary P. Nichols ISBN 0847689891

For too long, the films of Woody Allen have been interpreted as expressions of deconstructionism, nihilism, and postmodern angst. In this pathbreaking new book, Mary P. Nichols challenges this, arguing that Allen's work, from *Play It Again, Sam* to *Deconstructing Harry*, is actually an attempt to explore and reconcile the tension between art and life. As witty and complex as its subject, *Reconstructing Woody* shows that Allen is immensely concerned with human ethics, goodness, and virtue.

## **Reconstructing Woody: Art, Love, and Life in the Films of Woody Allen Review**
