CIRCUS - The Bloggers' Bookazine: #1 Fashion (English and German Edition) by Fashion Bloggers ISBN 3000312501

The first issue of the bookazine series by Herznote Publishing. It's all about fashion. Bloggers from all over the world worked exclusively for CIRCUS Fashion. They took a look at the hidden stories of the fashion world far away from top model shows, beauty tips and brandmania. CIRCUS Fashion draws attention to those who disappear behind the fashion in-crowd's shadow: A man from Switzerland opens up about his wool fetish, a fashionable blind woman gives away her tricks and one of the most popular fashion photographers of the GDR looks back at turbulent times. CIRCUS fashion is as timeless as a luxury handbag, extravagantly beautiful and perfect. It is critical and entertaining, young and wise, classic and modern a bookazine as colorful and contradictory as fashion itself.
