Small Animal Orthopaedics: Self-Assessment Color Review (Veterinary Self-Assessment Color Review Series) by Daniel D. Lewis, Robert Parker, Mark S. Bloomberg ISBN 1874545820

This review covers all aspects of orthopedics: principles, techniques, imaging, medicine, surgery and contains cases from 48 contributors worldwide. The cases are presented in question form, accompanied by illustrations, and followed on the succeeding page by full explanatory answers, designed to educate, not just to test. The cases appear in random order, just as they would in practice. A detailed index enables the reader to access topics systematically. The book appeals to professionals in practice and in universities, to students and to those preparing for higher

qualifications in surgery, orthopedics, and radiology.
