The Lost Gospel of Thomas: The Original Mystical Teachings of Yeshua by Theodore J. Nottingham ISBN 0985907452

Among all the astonishing documents accidentally—or fatefully—unearthed in 1945 near the desert village of Nag Hammadi in Upper Egypt, the Gospel of Thomas has made the greatest impact on our understanding of Christianity. Like the Eastern sages, Yeshua speaks in paradoxical aphorisms that invite us to become conscious of our uncreated origin, of our boundless freedom, even in the midst of the most severe difficulties. Thus we awaken to absolute Reality, right in the heart of the ordinary life.
