The First Interview, Third Edition by James Morrison ISBN 1593856369

This indispensable clinical guidebook describes and illustrates how to conduct a successful diagnostic mental health interview. James Morrison details effective methods for posing clinical questions; what the clinician should ask to obtain complete, accurate information; and how to select the best strategy to meet any clinical situation. Throughout, the author interweaves research on what works in mental health interviewing along with fresh insights on how to build rapport and enhance patient motivation.
