ISBN 0253013836

What is the future of Continental philosophy of religion? These forward-looking essays address the new thinkers and movements that have gained prominence since the generation of Derrida, Deleuze, Foucault, and Levinas and how they will reshape Continental philosophy of religion in the years to come. They look at the ways concepts such as liberation, sovereignty, and post-colonialism have engaged this new generation with political theology and the new pathways of thought that have opened in the wake of speculative realism and recent findings in neuroscience

and evolutionary psychology. Readers will discover new directions in this challenging and important area of philosophical inquiry.
