Vulnerable Groups in Health and Social Care by Mary Larkin ISBN 141294824X

Carefully researched and highly readable, this textbook looks at the experiences and health and social needs of key 'vulnerable groups'. It presents an engaging social science perspective relevant to everyone exploring how we, and society, care for the vulnerable. Each chapter defines and explores a vulnerable social group, bringing together theoretical, policy, and practice perspectives. The lively and engaging style enables the reader to engage with the client group and to reflect upon their own learning and practice in a more meaningful way.
