There's Been A Change Of Plans by Amy Koko ISBN 193707062X

Blogger Amy Koko bears her soul in her witty, bittersweet memoir, *There's Been A Change of Plans: Divorce, Dating & Delinquents in Mid-life*. Expecting a trip to Italy, Koko is blind-sided by her husband's confession that he's been putting his shoes under a much younger and prettier woman's bed. After twenty-seven years of marriage and four children, she faces the unimaginable: her life as she knows it is unraveling around her and her family's future is anything but certain. In the literary tradition of Nora Ephron's *Heartburn* and Jenny Lawson's *Let's Pretend This Never Happened*, Koko's memoir details her journey from hearing the news that her husband is in love with a blonde, thirty-something Swiss pastry chef to trying everything from thong underwear to a mini-facelift to save her marriage, only to see it die in the parking lot of gas station. With incredible honesty and humor, Koko takes the reader on a wild ride through the tough, emotional times of starting over through divorce, mid-life, finding a job, and Internet dating, all the while trying to keep her four teenagers out of jail. There's been a change of plans, and that's just the beginning.

There's Been A Change Of Plans Review

This There's Been A Change Of Plans book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get.
