If You Only Knew What You CAN Do by Kaylene Mathews ISBN B00GNMS55Q

You have two choices when it comes to goals; to be intentional or unintentional about them. The intentional goal-setter enjoys the rewards of focused effort and time. They have an edge on time because they're effective and efficient with their time. The unintentional goal-setter accomplishes little more than making it through the day. In between fire drills they spend their time dreaming of "some day," instead of making it happen. Learn how to overcome obstacles and set yourself up for success! This book will show you how to be intentional about your goals and take your dreams from goals to reality right now!
