[(The Witches' Hammer)] [By (author) Jane Stanton Hitchcock] published on (May, 2008) by Jane Stanton Hitchcock ISBN B018M3MX60

A rare book collector in New York City receives a grimoire, a medieval book of black magic; shortly afterward, he is murdered. His daughter, Beatrice O'Connell, believes that the grimoire is connected to the murder and vows to discover how and why. Soon, she realizes that there is a powerful conspiracy connected to the grimoire as well as to another tome, a 15th-century book written to encode Christendom's eradication of witchcraft. As she grapples with the conspiracy, Beatrice also struggles with her long-dormant sexuality, now awakened to a fierce pitch. This provocative, compelling, and unsettling novel brilliantly explores the misogyny of Western culture and particularly of the Catholic Church.

[(The Witches' Hammer)] [By (author) Jane Stanton Hitchcock] published on (May, 2008) Review

This [(The Witches' Hammer)] [By (author) Jane Stanton Hitchcock] published on (May, 2008) book is not really ordinary book, you have it then the world is in your hands.
