Becoming Melungeon: Making an Ethnic Identity in the Appalachian South by Melissa Schrift ISBN 0803271549

Appalachian legend describes a mysterious, multiethnic population of exotic, dark-skinned rogues called Melungeons who rejected the outside world and lived in the remote, rugged mountains in the farthest corner of northeast Tennessee. The allegedly unknown origins of these Melungeons are part of what drove this legend and generated myriad exotic origin theories. Though nobody self-identified as Melungeon before the 1960s, by the 1990s “Melungeonness” had become a full-fledged cultural phenomenon, resulting in a zealous online community and annual meetings where self-identified Melungeons gathered to discuss shared genealogy and history. Although today Melungeons are commonly identified as the descendants of underclass whites, freed African

Americans, and Native Americans, this ethnic identity is still largely a social construction based on local tradition, myth, and media.

In *Becoming Melungeon*, Melissa Schrift examines the ways in which the Melungeon ethnic identity has been socially constructed over time by various regional and national media, plays, and other forms of popular culture. Schrift explores how the social construction of this legend evolved into a fervent movement of a self-identified ethnicity in the 1990s. This illuminating and insightful work examines the shifting social constructions of race, ethnicity, and identity both in the local context of the Melungeons and more broadly in an attempt to understand the formation of ethnic groups and identity in the modern world.

## **Becoming Melungeon: Making an Ethnic Identity in the Appalachian South Review**

This Becoming Melungeon: Making an Ethnic Identity in the Appalachian South book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of Becoming Melungeon: Making an Ethnic Identity in the Appalachian South without we recognize teach the one who looking at it become critical in imagining and analyzing.
