Excerpt

“Put your hands on this tree and bend over, sissy! That's right, stick your ass out in the air like you're begging to get fucked by any man that walks by! Good girl, now spread those legs of yours like a good slut.”

James did as he was told, getting into position without thinking, his obedience becoming second nature at this point. Veronica instantly became turned on, her pussy already soaking wet at the sight of her husband, dressed as a sissy slut, bending over out in the open, waiting for whatever she had in store. She walked over beside him and knelt down, keeping her strap-on inside her jeans, stretching the fabric as if trying to escape so she could fuck her husband's ass again. She had other ideas for now.

With one hand she reached up and grabbed James's cock firmly, drawing a gasp of excitement from him. She quickly sucked on the index and middle fingers of her other hand, covering them with a generous amount of saliva. Keeping still with the hand on his cock, she position her two lubed fingers at his asshole, feeling the puckered ring underneath her fingertips, then pushed into him hard, immediately overcoming the resistance and burying the full length of her fingers inside James's ass. This brought an even louder gasp from James, followed by a satisfied sigh at the full feeling inside his hole.

Veronica pumped in and out of his ass while stroking his cock in rhythm, each penetration with her fingers being matched by a down stroke on his dick, already dripping with thick, clear precum. She went faster and faster, watching his face intently. His eyes were closed, his body completely still. His body didn't know whether to thrust forwards or backwards, his dick and his ass competing for attention. All he could do was moan like a girl, his high pitched groans ringing out through the trees. He was completely lost in pleasure, and no longer thought about the possibility of being caught.
