The Milagro Beanfield War by John Nichols ISBN 0805063749

Joe Mondragon, a feisty hustler with a talent for trouble, slammed his battered pickup to a stop, tugged on his gumboots, and marched into the arid patch of ground. Carefully (and also illegally), he tapped into the main irrigation channel. And so began-though few knew it at the time-the Milagro beanfield war. But like everything else in the dirt-poor town of Milagro, it would be a patchwork war, fought more by tactical retreats than by battlefield victories. Gradually, the small farmers and sheepmen begin to rally to Joe's beanfield as the symbol of their lost rights and their lost lands. And downstate in the capital, the Anglo water barons and power brokers huddle in urgent conference, intent on destroying that symbol before it destroys their multimillion-dollar land-development schemes. The tale of Milagro's rising is wildly comic and lovingly tender, a vivid portrayal of a town that, half-stumbling and partly prodded, gropes its way toward its own stubborn salvation.

## **The Milagro Beanfield War Review**

This The Milagro Beanfield War book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get.
