Up From Slavery by Booker T. Washington ISBN 1515227375

"I have learned that success is to be measured not so much by the position that one has reached in life as by the obstacles which he has overcome while trying to succeed."

--- **Booker T. Washington, Up From Slavery: An Autobiography**

Up from Slavery is the 1901 autobiography of Booker T. Washington detailing his personal experiences in working to rise from the position of a slave child during the Civil War, to the difficulties and obstacles he overcame to get an education at the new Hampton University, to his work establishing vocational schools---most notably the Tuskegee Institute in Alabama---to help black people and other disadvantaged minorities learn useful, marketable skills and work to pull themselves, as a race, up by the bootstraps. He reflects on the generosity of both teachers and philanthropists who helped in educating blacks and native Americans. He describes his efforts to instill manners, breeding, health and a feeling of dignity to students. His educational philosophy

stresses combining academic subjects with learning a trade (something which is reminiscent of the educational theories of John Ruskin). Washington explained that the integration of practical subjects is partly designed to reassure the white community as to the usefulness of educating black people.

This book was first released as a serialized work in 1900 through *The Outlook*, a Christian newspaper of New York. This work was serialized because this meant that during the writing process, Washington was able to hear critiques and requests from his audience and could more easily adapt his paper to his diverse audience.

Washington was a controversial figure in his own lifetime, and W. E. B. Du Bois, for example, criticized some of his views. The book was, however, a best-seller, and remained the most popular African American autobiography until that of Malcolm X. In 1998, the Modern Library listed the book at No. 3 on its list of the 100 best nonfiction books of the 20th century.

Up From Slavery Review

This Up From Slavery book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of Up From Slavery without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry Up From Slavery can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This Up From Slavery having great arrangement in word and layout, so you will not really feel uninterested in reading.
