Les Miserables by Victor Hugo ISBN B000N4S7G2

Victor Hugo began writing *Les Misérables* 20 years before its eventual publication in 1862. It is primarily a great humanitarian work that encourages compassion and hope in the face of adversity and injustice. It is also a historical novel of great scope, one that provides a detailed vision of 19th-century French politics and society. Hugo hoped *Les Misérables* would encourage a more progressive and democratic future and wrote the novel with a literary and political revolution in mind.

Les Misérables emphasizes the three major predicaments of the 19th century, each symbolized by a major character: Jean Valjean represents the degradation of man in the proletariat, Fantine represents the subjection of women through hunger, and Cosette represents the atrophy of the child by darkness.
