Virtual Hallyu: Korean Cinema of the Global Era by Kyung Hyun Kim ISBN 0822351013

“[T]his fine book . . . enlarges our vision of one of the great national cinematic flowerings of the last decade.”—Martin Scorsese, from the foreword

In the late 1990s, South Korean film and other cultural products, broadly known as hallyu (Korean wave), gained unprecedented international popularity. Korean films earned an all-time high of \$60.3 million in Japan in 2005, and they outperformed their Hollywood competitors at Korean box offices. In *Virtual Hallyu*, Kyung Hyun Kim reflects on the precariousness of Korean cinema’s success over the past decade. Arguing that state film policies and socioeconomic factors cannot fully explain cinema’s true potentiality, Kim draws on Deleuze’s concept of the virtual—according to which past and present and truth and falsehood coexist—to analyze the temporal anxieties and

cinematic ironies embedded in screen figures such as a made-in-the-USA aquatic monster (*The Host*), a postmodern Chosun-era wizard (*Jeon Woo-chi*), a schizo man-child (*Oasis*), a weepy North Korean terrorist (*Typhoon*), a salary man turned vengeful fighting machine (*Oldboy*), and a sick nationalist (the repatriated colonial-era film *Spring of Korean Peninsula*). Kim maintains that the full significance of hallyu can only be understood by exposing the implicit and explicit ideologies of protonationalism and capitalism that, along with Korea's ambiguous post-democratization and neoliberalism, are etched against the celluloid surfaces.

## **Virtual Hallyu: Korean Cinema of the Global Era Review**

This Virtual Hallyu: Korean Cinema of the Global Era book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of Virtual Hallyu: Korean Cinema of the Global Era without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry Virtual Hallyu: Korean Cinema of the Global Era can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This Virtual Hallyu: Korean Cinema of the Global Era having great arrangement in word and layout, so you will not really feel uninterested in reading.
