Yankee Come Home: On the Road from San Juan Hill to Guantánamo by William Craig ISBN 080271093X

The Spanish-American War ended over a century ago, but its effects are with us still. In *Yankee Come Home*, William Craig travels through Cuba, the birthplace of American imperialism, to find out why our republican ideals died in the glory of San Juan Hill, and to reveal Guantánamo, the corner of Cuba we've never left. In doing so, he recounts more than a century of the fascinating, but none-too-flattering relationship between the United States and Cuba. Through present-day adventures-spirit-possession rituals, black market odysseys and roots-music epiphanies-Craig explores what that relationship has wrought in the lives of Cubans and Americans alike.

Craig was drawn to the Cuban-American story by memories of his mysterious great-grandfather Thomas O'Brien, a self-proclaimed hero of the "splendid little war" whose legacy of glorious, painful lies left his own children wondering who he'd really been. Like the reality of "Papa" O'Brien's identity, the story of the United States' 1898 intervention in Cuba reflects more hubris than heroism, more avarice than sacrifice. But in the end, despite America's unseemly history there, Craig's journey through Cuba and its history takes him to a greater understanding of both countries. His observation that "at Guantánamo, freedom is in trouble on both sides of the wire" applies to the past and present of the United States as well as Cuba.

Yankee Come Home: On the Road from San Juan Hill to Guantánamo Review

This Yankee Come Home: On the Road from San Juan Hill to Guantánamo book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of Yankee Come Home: On the Road from San Juan Hill to Guantánamo without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry Yankee Come Home: On the Road from San Juan Hill to Guantánamo can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This Yankee Come Home: On the Road from San Juan Hill to Guantánamo having great arrangement in word and layout, so you will not really feel uninterested in reading.
