In another life she was Robyn Hart, a journalist who saw too much and was willing to talk about it. Now she is Carly, with a new job and identity courtesy of the Witness Relocation Program. But even with a different name and appearance, Carly lives in fear that her enemies will find her, and this time she won't get away. Only one man manages to break through the protective wall she has built up around herself - Ryan Cornell, a successful young attorney who yearns to take this secretive woman into his arms and never let go. But before Ryan can win Carly's heart, he must earn something much more precious to her... her trust.
