John Paul Jones: Sailor, Hero, Father of the American Navy by Evan Thomas ISBN 0743258045
John Paul Jones, at sea and in the heat of the battle, was the great American hero of the Age of Sail. He was to history what Patrick O'Brian's Jack Aubrey and C. S. Forester's Horatio Hornblower are to fiction. Ruthless, indomitable, clever; he vowed to sail, as he put it, "in harm's way." Evan Thomas's minute-by-minute re-creation of the bloodbath between Jones's *Bonhomme Richard* and the British man-of-war *Serapis* off the coast of England on an autumn night in 1779 is as gripping a sea battle as can be found in any novel.

Drawing on Jones's correspondence with some of the most significant figures of the American Revolution -- John Adams, Benjamin Franklin, Thomas Jefferson -- Thomas's biography teaches us that it took fighters as well as thinkers, men driven by dreams of personal glory as well as high-minded principle, to break free of the past and start a new world. Jones's spirit was classically American.

John Paul Jones: Sailor, Hero, Father of the American Navy Review

This John Paul Jones: Sailor, Hero, Father of the American Navy book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of John Paul Jones: Sailor, Hero, Father of the American Navy without we recognize teach the one who looking at it become critical in imagining and analyzing.
