A Concise History of the Crusades (Critical Issues History) by Thomas F. Madden ISBN 0847694291

The crusades were a quintessentially medieval phenomenon, which both defined and reflected the unique social forces that characterized Europe in the Middle Ages. In this fascinating book, Thomas F. Madden places the crusades within the medieval social, economic, religious, and intellectual environments that gave birth to the movement and nurtured it for centuries. He also examines the impact of the Crusades on the Islamic societies which were their primary target, as well as discussing their implications for the Christian Byzantine East. This book will provide students with an up-to-date and accessible introduction to both the Crusades and medieval history. Visit our website for sample chapters!
