The voice belongs to a woman, but Dr. Alex Delaware remembers a little girl. It is eleven years since seven-year-old Melissa Dickinson dialed the hospital help line for comfort—and found it in therapy with Alex Delaware. Now the lovely young heiress is desperately calling for the psychologist's help once more. Only this time it looks like Melissa's deepest childhood nightmare is really coming true.

"A page-turner from beginning to end."—*Los Angeles Times*

Twenty years ago, Gina Dickinson, Melissa's mother, suffered a grisly assault that left the budding actress irreparably scarred and emotionally crippled. Now her acid-wielding assailant is out of

prison and back in L.A.—and Melissa is terrified that the monster has returned to hurt Gina again. But before Alex Delaware can even begin to soothe his former patient's fears, Gina, a recluse for twenty years, disappears. And now, unless Delaware turns crack detective to uncover the truth, Gina Dickinson will be just one more victim of a cold fury that has already spawned madness . . . and murder.
