Poet (Redemption Reigns MC Book 1) by Juli Valenti ISBN B0105972YC

Poet Butler, the first female President of the outlaw motorcycle club, Hells Redemption, has one basic rule in life: Don't date bikers, ever.

After she's randomly jumped during a clubhouse party, she takes off to her house in the hills to avoid her men seeing the bruises she's sporting. The one flaw in her plan is the man who found her and demands to come with her.

Titan Warren, the President of Bishops Reign, is an arrogant prick Poet can't stand. He's entitled, pushy, and attractive as hell, which only pushes her to dislike him more.

Can Poet's strength withstand bloodshed and conspiracy as the world she once knew falls apart? Or will she crumble under the pressure, and lose everything she's ever known?
