Successful Beginnings for College Teaching (Publicaffairs Reports) by Angela Provitera McGlynn
ISBN 1891859382

Laying the groundwork for a successful semester starts with the first day of class. Author Angela Provitera McGlynn tells that the first day is not the day to pass out a syllabus and let everyone go. Rather, it's the day to set the context for the rest of the semester.

The author stresses the need for developing an atmosphere of respect for diversity while simultaneously providing a safe and exciting place to explore differences.

Included are a whole variety of ice breakers and other exercises to keep students engaged and interacting. In addition, such vital issues as environment, motivation, and civility are addressed with

suggestions for promoting positive interactions.
