Crafting Jewishness in Medieval England: Legally Absent, Virtually Present (The New Middle Ages) by Miriamne Ara Krummel ISBN 0230618707

Organizations - whether profit or nonprofit, services or manufacturing - need to be able to adapt and transform their cultures to succeed. Yet cultural transformation can seem either too easy or completely overwhelming. *Transforming Culture* shows how effective and sustainable cultural transformation can be achieved even in a challenging environment such as a General Motors manufacturing plant. The authors offer both a practical approach and tools to draw on the energy and ideas of employees and executives, remove obstacles to change, and create durable

improvements.
