*Emphasizes critical thinking, culture, and gender*

*Invitation to Psychology, 6/e*, shows students why scientific and critical thinking is so important in the decisions they make. In clear, lively, warm prose, this edition continues the title's integration of gender, culture, and ethnicity. By the end, readers will learn how to interpret research and to address and resolve controversies.

MyPsychLab is an integral part of the Wade/Tavris/Garry program. Engaging activities and assessments provide a teaching and learning system that helps students think like a psychologist. With MyPsychLab, students can develop critical thinking skills through writing, simulate classic experiments and surveys, watch videos on research and applications, and explore the Visual Brain in 3-D.

This title is available in a variety of formats – digital and print. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more.
