The History of South Africa (The Greenwood Histories of the Modern Nations) by Roger B. Beck  
ISBN 1610695267

A newly revised and thoroughly updated version of a popular Greenwood publication, *The History of South Africa: Second Edition* provides readers with readable, accessible information on the nation's prehistory, early history and colonial past, its unfortunate apartheid era, as well as new coverage of South Africa's more recent events in the 20th and 21st centuries. This work presents unique, extended coverage of South Africa's prehistory, beginning 3.5 million years ago and incorporating information gleaned from the most recent archaeological finds. The text reflects the most current historiography on African settlement and life before the arrival of Europeans, accurately describes the colonial era as a period of European hegemony and intense African

resistance, and discusses in great detail the apartheid years and the events leading up to majority rule in 1994. This second edition also includes an updated timeline, new biographical sketches of notable people, and supplies recent print and electronic resources in the bibliography.

## **The History of South Africa (The Greenwood Histories of the Modern Nations) Review**
