From Victim to Victor: A Personal Healing Journey by Grace Gayle ISBN 1770695133

After nine years of a difficult ministry in an Ontario housing complex and the deaths of my father and brother, I plunged into the deepest, darkest hole you could imagine. As anger, fear, depression, and loneliness engulfed me, I poured out my emotions. - God, who are You? - God, if You love me, show me. - God, why didn't You protect me? I asked God to guide my healing process and give me the right books to help me heal. God answered my prayers. He led me through a five-year healing journey which drew me into an intimate relationship with my Heavenly Father. He gave me a craving for studying His Word and spending time in His presence. Each time I cried out to my Heavenly Father in agony, He answered me with a scripture or passage. By the end of the five years, God had given me over three hundred scriptures that helped me heal.
