The Global Warming Skeptic Challenge: Volume 1 by Christopher Keating ISBN 1511485507

The Global Warming Skeptic Challenge promised to pay \$10,000 (later \$30,000) to anyone who, using the scientific method, could prove manmade global warming was not real. Eighty-six submissions (including some duplicates) are presented along with the response reviewing the scientific validity of each. End notes, a bibliography and an index make this a handy reference on the debate on the reality of manmade climate change and global warming.
