- Reference material

Recently, we conducted a survey to see how our readers use the Bible Word Search Puzzles with scriptures for ministry purposes. Below are a few testimonials that we received from some of our readers.

*"I use the puzzles with my Sunday school class. After we finish our Sunday school lesson, I give each child a puzzle to do and whoever finishes first receives 2 treats instead of one like the other students. My students love the puzzles and look forward to them each Sunday."*

*"My sister and I have a prison ministry, and the puzzles are very beneficial for our newsletters that we send to various prisons around the country. We have a mailing list and the newsletters are well received. Our newsletters always have a theme, and we try to coordinate the puzzles with the theme of the newsletter we are sending. We want to reach the prisoners and let them know that God can still save and deliver them no matter what they have done. The puzzles get them into the Word of God without sounding too preachy."*

*"I have a nursing home ministry and I use the word search puzzles for the residents that come to my Bible study class. They love them. I try to have a puzzle that is the same scripture as my lesson. Some of the ladies (especially women) have folders and keep all of them."*

*"I use the puzzles inside the church bulletins in order for everyone to participate. The activity is organized by allowing the youth to complete the hidden word puzzles to see who completes it first. The value I see is that it makes them study the Bible more and bring questions to the Bible study class. Some are able to finish. It helps others to concentrate more on the Word. I use them at home and when riding in the car. I am an 81 year old Senior. The puzzles help to keep my mind sharp and current on what is taught by the Bible."*

*"I use it in my Sunday school class with children between the ages of 8-12. I do have an introductory Bible lesson and the children are keen to find out what the hidden messages are. We can't finish them in the time frame we have for Sunday school therefore they have to finish at home and then the next week look at the hidden message together. My children usually do finish the puzzles and because they can finish them at home they get lots of help from family and friends as well. I also help them in class when they do struggle. Thank you for doing an awesome job. Much appreciated. Your puzzles are a great help because children can refer to them when they struggle,*

*for example when you ask in class about the Apostles they can refer to your puzzles for an answer. God Bless!"*
