Birds of Southern Africa: The Complete Photographic Guide by Ian Sinclair, Peter Ryan ISBN 1770073884

This brand new photographic field guide to the birds of southern Africa presents more than 2,500 images showing a wide selection of age and sex plumage variations, perched and in-flight birds, and color morphs where relevant, making it the most comprehensive collection of bird photographs of the region ever produced in a single volume. Accompanying text focuses on identification, call, status, breeding details and diet. Also included for each species is a distribution map and a calendar bar indicating occurrence and breeding months.

REVIEWS

This photographic field guide to the birds of southern Africa presents more than 2,500 images showing a wide selection of age and sex plumage variations, perched and in-flight birds, and color morphs where relevant, making it the most comprehensive collection of bird photographs of the region ever produced in a single volume. Accompanying text focuses on identification, call, status, breeding details and diet. Also included for each species is a distribution map and a calendar bar indicating occurrence and breeding months. IAN'S RECOMMENDATION: A very useful photographic guide to the region!

Ian Paulsen, BirdBooker Report, Guardian newspaper, 2012/04
