Twelve kidnapped young women, a lonely island, and a hauntingly sensual curse. A young woman named Sophie finds herself among the twelve kidnapped from their homes and taken to Wolf Island. There they are forced to participate in the Choosing, an ancient ritual that binds them to a man who is more than he seems. She refuses to submit to their demands and plots only to escape, but she finds herself entranced by the man to whom she is bound. His alluring eyes catch her like a moth to a flame, and she finds herself falling into a world of dark desires and feral lust.
